Proposal

July 11, 2022

Briggs Inc.:

Gordon Company Inc. would like to propose that we supply all necessary equipment, supplies, personnel, certification, and insurance, needed for a Fibrecrete spall repair of PCC and Gray hot seal project 48400-DOT0002424. We would like to contract a week at a time.

The price per pound of Fibrecrete spall repair : \$3.05 per pound

The price per pound of Gray hot pour is: \$3.30 per pound

Payable as follows: net 30 days

Thanks for your consideration,

Everette M Gordon

A handwritten signature in blue ink, appearing to read "Everette M Gordon", is written over a faint, larger version of the same signature.
